*****Remember a bag lunch as no vending machines are available*****

Challenger / TS Columbia
PLAN OF THE MONTH
For Your Information

****Re-enrollment fee is \$150.00**** Per NSCC Regulations, if your ID card is expired you are unauthorized to be at drill. Renew it before it expires. **Enrollment fees are due the month before your ID expires.** Please send a check with the Cadet on Saturday morning.

April reenrollments: Preston, Weber, Gomez – **May reenrollments:** Adams, P, Derris, Stout.

From the Webmaster: Cadets, Parents, and Families remember to sign up for the website, and check it out. It's always getting updated with new pictures and facts, even video's. There are forums available for questions or just discussions. Utilize our website.

Summer Training: All who are going to ANY summer trainings, you must look on the COMPASS website (www.compass.seacadets.org) find out the name of the training, location and cost. Once you get that information, orders have to be printed and submitted up the chain for approval as soon as possible. Trainings will fill up fast so get your requests in soon. A copy of the NSCTNG001 and a money order for the training is required. Other forms will be necessary as we get closer to the training. A fresh copy of the NSCADM020 and a copy of the NSCADM025 before you go.

NSCC Flagship: This will be held at Naval Base Ventura County Port Hueneme, CA. If you plan on attending please submit your orders and the \$25 to the Commanding Officer as soon as possible. We will depart from the Santee Trolley Station at 10am. **Get your orders in ASAP for Flagship.**

Tactical Field Training: The site for the Tactical Field Training is the same as last year. Cleveland National Forest-El Prado Group, Manzanita Camp Site. The date is set for June 11-13, 2010. The gear list has been submitted. For those that need BDU's for this event, see ENS Reed for loaner uniforms. After the training you will return the uniforms back to ENS Reed. The cost for this is \$20 per cadet/officer to offset the cost of the food. Any questions, see the Executive Officer.

From the Commanding Officer: The Awards ceremony was a success. Good Food and Good Company. The facilities were great and we got everything cleaned up. The slide presentation was excellent. Something that needs to be covered is some issues that have recently come to my attention. The unit's discipline has been slipping. This is and will be fixed from the top down. I expect respect from every single cadet to each other and the officers. Moving on the Annual Inspection is on April 11th the uniform will be Dress Blues. All are needed to be in attendance. There will be a Uniform inspection in the morning and an Administrative inspection following it. Also in April is the Sea Cadet Flagship. Uniform for that will be Whites please ensure they are clean and pressed prior to Flagship if something needs to be changed out do it at April's drill on Saturday. Again April drill weekend is Mandatory for all Cadets and Officers. We are having INST Walker give some basic self-defense classes. If any additional items are necessary for this event we will get the information available ASAP. I don't expect anything out of the ordinary.

TS Columbia did an excellent job at NLCC Flagship. They brought home 2nd place in swimming and the knowledge that they can excel at anything they put their minds to. **Great Job Leaguers!!!**
