From the Webmaster: Cadets, Parents, and Families remember to sign up for the website, and check it out. It's always getting updated with new pictures and facts, even video's. There are forums available for questions or just discussions. Utilize our website.

Fundraiser for Big Bear Trip: CDT Eric Wood will be doing the logistics for our Fundraisers to Big Bear. We should have it completed and a tentative date to do the carwash by the end of Drill. We can go to Big Bear (possibly) on January 23rd. This is totally up to you. If you want to go you will participate in the fundraiser.

From the Commanding Officer: Our Holiday Skate party was a success. It looked like everybody had a good time. I heard a lot say this was fun. I unfortunately missed the Awards Banquet however I did get the impression from texts and talks with my chain of command that once the awards were done things loosened up a bit and it was fun especially watching the XO cut the rug (so to speak). Alright, moving onto this exciting year or 2010. Hope everybody had a great New Year's Eve, those going to a training will have a great time. This is the time to be a little fluid or flexible. We have some changes coming down the pike and we are hitting a few roadblocks. We may have a couple last minute things happening. Still we need to prepare for Flagship this year both Sea Cadet and League Cadet. Let's get some training going and share our knowledge with each other.
