**For Your Information**

**\*\*Re-enrollment fee is \$150.00\*\*** Per NSCC Regulations, if your ID card is expired you are unauthorized to be at drill. Renew it before it expires. **Enrollment fees are due the month before your ID expires.** Please send a check with the Cadet on Saturday morning. Cadets needing Reenrollment fees are: Gomez, and Derris.

**From the Webmaster:** Cadets, Parents, and Families remember to sign up for the website, and check it out. It's always getting updated with new pictures and facts, even video's. There are forums available for questions or just discussions. Utilize our website.

**Summer Training:** All who are going to ANY summer trainings, you must look on the COMPASS website ([www.compass.seacadets.org](http://www.compass.seacadets.org)) find out the name of the training, location and cost. Once you get that information, orders have to be printed and submitted up the chain for approval as soon as possible.

**Tactical Field Training:** All hands attending the Tactical Field Training on June 11-13, remember that the cost is \$20 per cadet. Let your squad leaders know if you are missing any items needed for the tactical drill. If you haven't seen ENS Reed for Loaner BDU's, get with him as soon as possible. Remember this isn't a "camp out". This is a tactical drill so once everyone has unpacked, and tents have been set up, we will remember this is a "mock operational event".

**From the Commanding Officer:** This past drill weekend was pretty jammed packed. I hope that you all had a great time. Our inspection was a success. You all did an excellent job. Let's focus on those minor issues and move forward, the haircuts and ID cards were the big ones. Make sure your uniforms are ironed. May drill there will be a Whites inspection. Those that attended Flagship good on you; you looked like you had fun and you did really well. Those that did not make it plan for next year now. Next year Sea Cadet Flagship is 22-24 April 2011. Need to get in on your Summer Trainings soon. They are filling up fast. Get the orders and get them filled out to process ASAP. Request a Money order for the amount of the Training.
