Coronado Parade: The Coronado 4th of July Parade is being held on Saturday the 3rd of July. The parade drop off will be between 1st and 2nd St on H St. Drop off is @ 9:00 am. The parade will begin at about 9:30 am. We will march the length of Orange Avenue and you can be picked up after the completion of the parade at a grass clearing between the streets R. H. Dana and Churchill near the beach. For those that marched last year at the same location.

Summer Training: All who are going to ANY summer trainings, you must look on the COMPASS website (www.compass.seacadets.org) find out the name of the training, location and cost. Once you get that information, orders have to be printed and submitted up the chain for approval as soon as possible.

From the Commanding Officer: So far this summer has been busy and hectic. We have successfully had several recruiting events; the Santee Fair, Gillespie Air Show, and recently the Del Mar Fair. The fair was our biggest success with more prospects than the others combined. Last drill was our Tactical Weekend. I know I had an absolute exciting time. It was planned and executed out very well especially all that fine cuisine that was provided for you to enjoy. I hope you all had as good a time as I did. Ask the XO to plan for bigger and better next year. This upcoming drill in July is exciting. We received our Storage boxes and the office has been cleaned up. Supply will be working mainly out of them but with some things available in the office. All requests will begin in the office and as necessary moving out to receive any necessary items. Please bring items you have outgrown for an exchange. As well if you borrowed cammies for the Tactical Training please return them clean and folded to the unit.
